- The **Campus Parent Portal** was updated with a new interface for the 2011-12 school year. The new **Family Page** is the first screen that will be displayed after you log in.

- Click the new **Switch Student** (if you have more than one student) menu at the top left of the screen to select one of your children from the resulting drop-down list. This will enable you to view information the school has posted in the **Portal** for that child.

- Once a student is selected, the Student Menu below will display. Click on each menu item to navigate to that option. Different information becomes available at different times of the year. Please refer to the school calendar for Report Card dates.
