January 20, 2012

Dear Parents/ Guardians:

Enclosed you will find second quarter report cards. Please take the opportunity to discuss these reports with your son/daughter and, if appropriate, contact teachers and/or guidance counselors. Report cards should reflect final grades for all first semester courses.

Parents of **seniors** are reminded to closely review report cards to insure that all required courses have/or are being successfully completed. The Guidance Department will be sending individual letters at a later date to parents of seniors who may be in jeopardy of graduating due to failing grades.

Please save the date, Wednesday, February 1, 2012 at 6:30 PM, for our annual Second Semester Open House. Parents will have the opportunity to follow a modified student schedule. We look forward to seeing you on that Wednesday.

IMPORTANT REMINDER!

This will be the last regular mailing that will be sent from RHS. As of Term 2 Progress Reports, all correspondence will be through the Infinite Campus Parent/Student Portal. Not only will this provide families with important information in a timely manner, but it will also help to save mailing costs. Those who returned the form from the last mailing requesting to continue to receive paper mailings will do so until you notify the school differently. Information on getting a portal account may be found here: <http://rhs.rutlandcitypublicschools.org/resources-2/> Questions...contact Glenn Olson @ 770-1188 or golson@rutlandhs.k12.vt.us

Thank you again for your continued cooperation in ensuring a high quality education for our students. We know we make great strides with our children through your help.

Sincerely,

Bill Olsen, Principal
