

June 27, 2017

Dear Parents/Guardians:

Enclosed please find the yearend reports, which include fourth quarter grades, exam grades, final averages and Year End Study. Please check the reports for accuracy. If you have questions about grades, please contact the appropriate guidance counselor for assistance.

In reviewing the report card, if there is a "LOC" under the column marked "earned credit," it means that the student has failed the course due to excessive absences as outlined in the school's attendance procedures. If your son or daughter lost credit in any course due to excessive absences, you may set up a hearing to appeal the loss of credit. Please call Steve Sampson at 770-1073. If your son/daughter failed a course, please contact the Guidance Office to discuss possible options.

Take special note of YES Plan grades. The grade will reflect a Pass/Fail or Pass with Honors. If your student failed one or both of the YES Plan courses, contact the appropriate counselor to make arrangements to address and make up the failure. Several options are available. Your counselor can outline them for you.

Students must accumulate the following number of credits by the end of the preceding year to be promoted to the next grade level.

Sophomore	4
Junior	9
Senior	16

As you plan your summer vacations, the first day of classes for the 2017-2018 school year will be Wednesday, August 30, 2017.

We will be completing the 2017-2018 schedules in the near future. As soon as this process is complete, we will forward copies of your child's schedule.

One early reminder for the end of the next school year: when planning events for next June, please remember that our calendar often shifts due to weather cancellations. Students have the responsibility of meeting all attendance obligations.

Additional Announcements:

Any high school student interested in playing a fall sport must attend the sports information meeting on **Wednesday August 9th** at 6:30pm in the RHS gym with a parent or guardian. **High School practices will start August 14 and August 17, 2017**. Students cannot start practicing until they attend this meeting.

Please be sure your child has had a physical within the last 2 years. As well, you must supply the RHS Athletic Office a completed Rutland City Public Schools physical form before practices begin. If you have questions, please call Jamie Nichols at 770-1080, or email at: jamie.nichols@repsvt.org.

Beginning July 1, 2017, your child can register for a team online. Please follow the link below, sign up for an account, and follow the prompts,. You will need to register each child individually under the sport in which they wish to participate.

<https://formreleaf.com/organizations/rutland-high-school>

The Activities and Athletics Department will have computers available for the meeting if someone does not have internet access. However, you will need to have your child's school log-on information in order to use one of those computers.

Thank you for the collaboration that you provided Rutland High School in our efforts to guide your child toward adulthood. Enjoy the summer!

Sincerely,

Bill Olsen, Principal
