Dear Parents/Guardians:

On Monday, March 26th Juniors and Seniors will attend an assembly during Flex Block presented by Mourning Parents Act (!MPACT) to help raise awareness on issues surrounding safe teen driving. The assembly is the taking action component of Meghan Hamilton's senior year Capstone Project entitled, *The Morning After*, which emphasizes the use of good judgement prior to, and while driving a car.

Due to the sensitive nature of the presentation, we wanted to inform you about it in advance. We encourage you to ask your child about the assembly and discuss the importance of safe driving. If for any reason you prefer that your child not attend this presentation, please return the accompanying opt-out form to the Guidance Department by March 23rd.

Should you have further questions, please feel free to contact your child's guidance counselor.

Sincerely,

Stephen A. Sampson
