EPIC has the unique opportunity to support Personalized Learning Plans and Proficiency Based Grading through our summer programs. EPIC's focus on Transferable Skills are useful in future situations like higher education or the workplace. EPIC has developed an icon system to indicate the specific skill set that each camp is highlighting.

An EPIC way to show your mastery of Transferable Skills

Clear and Effective Communication - Organized and purposeful, expressive, effective and receptive.

Self-Direction - Demonstrates flexibility and perseverance.

Creative and Practical Problem Solving - Analyze, evaluate, and synthesize evidence, arguments, claims, and beliefs.

Responsible and Involved Citizen - Respect diversity and all points of view.

Informed and Integrative Thinking - Apply knowledge to real life situations.

Summer at Stafford Technical Center

Stafford Technical Center offers summer camps to interest all kinds of students.

Summer Arts and Technology Camp - Dates: July 30 -August 3. Campers will participate in a variety of activities related to a specific area of arts or technology.

Summer Full Week Theme Camps- Dates: July 9 - 13 or July 16- 20. This year we are offering The Art of Cosmetology, Police Investigation and Patrol, Game Design, Party Foods, Video Camp, Digital Photography, and STEM Inside Out.

Summer Construction Camp- Dates: July 9 -July 20. Our two-week long camp introduces students to the local construction trades industry.

STC Camps are not scheduled
through the EPIC Office.

RHS 101

RHS Faculty

June 25 - June 29 or July 23 - July 27

Help make the Class of 2022 the best class ever for RHS! RHS 101 will take the mystery out of high school for entering freshmen. This session is designed to be a fun interactive

experience with lots of activities to help you learn how to navigate the high school environment. Faculty have designed team-building activities, informational sessions and the “tricks” of getting to class on time despite the hallway traffic. Meet the other new kids from surrounding schools who will be your future classmates.

Rock Me Out to the Ball Game

C. Baker

July 23-July 26

(Monday-Thursday)

Join us as we rock the parks! We will learn some great music and then present concerts at some of the local state parks as well as play for the Lake Monsters Baseball game in Burlington. Students

must be available for a long day on Wednesday July 25th (return to Rutland at approximately midnight) and save Saturday July 28th in case the 25th is rained out. This is only a 4 day camp due to the long day.

“In Search of a Song” Summer Encore

C. Archer

July 2-July 20 (closed July 4th)

Are you looking for something to do this summer that is fun, and exciting? Are you interested in acting, or have backstage interests? Summer Encore’s schedule includes two weeks creating a musical show about a young person in search of their own song, building the costumes and set, focusing lights, and designing sound. Actors meet from 9a.m.-12p.m. M-F and backstage meets from 1p.m.-3p.m. M-F. The third week is devoted to traveling to libraries throughout Vermont performing our show. Students are encouraged to participate in all aspects of the production including acting and technical areas.

The Voice! Rutland Edition

A. Griffiths

July 9-July 13

“The Voice! Rutland Edition” invites any student interested in learning more about singing to join the party! During the week, we will learn more about how our voices work, how we can use our voices to express ourselves, and how to prepare a song in small groups, perfect your performance style for a recital, and even compete in a Lip Sync Battle. Even if you’ve never sung before, The Voice is a great opportunity to learn more about yourself and your voice. Come join us!

Delicious Asia
R. Eisenman
July 30-August 3

Explore Asian food and culture in this hands-on cooking camp. Each day you will learn how to cook signature dishes from Japan, China, Korea, Vietnam, and India. At the end of the week you will compete in an Iron Chef Asian style contest. We will also learn how to speak basic conversational Japanese and play Chinese style Mah Jong.

High School Climbs Higher
D. Cornwell
June 25-June 29

Learn the art and skill of rock climbing – footwork, balance, body movement, bouldering, belaying, rappelling – then take the skills outdoors! We'll start at Green Mountain Rock Climbing Center to learn proper and safe climbing skills. Then we'll be outdoors to put those skills into practice. We'll climb at the Falls of Lana, the upper face of Deer Leap, the River Walls in South Royalton, with a culminating event of climbing the main face of Deer Leap. Have fun as you challenge yourself to reach new heights (literally!). Climb on! No prior experience necessary, however, campers should be physically fit, prepared to be active, and be ready to challenge their own limits. Campers with climbing experience preferred. Limit 10 campers.

On Broadway
A. Griffiths
July 16-July 20

“On Broadway” is a one-week theater intensive camp where you’ll experience acting, dancing, singing, and costume/set design first hand. Work on your triple threat skills while also learning how to put together a musical and the history of musical theater. Each day you’ll play games, sing theater songs and learn basic choreography. At the end of the week, we will present a revue of High School Musical, which YOU design. We hope to see you there!

Mosaics to Stained Glass
Carving Studio
July 2-July 6 (closed July 4th)

With expert guidance from the instructor, students will create their own mosaic piece on a pre-framed, ready to hang panel. They will learn how to handle professional mosaic tools, cut glass, learn which adhesives to use and grouting and finishing techniques. Emphasis will be placed on good design, using principles of art, including contrast and interest. The Stained Glass portion of this class will lead students on an exploration of principles and practical applications of the skills needed to safely handle and fabricate stained glass, using copper foil and soldering techniques. Concentration on basics of the craft will lead to the design and completion of individual projects.

Ukulele Hero
A. Griffiths
June 25-June 29

Aloha and welcome to Ukulele Hero! You will learn the basics of playing the ukulele in just five days! Together we’ll learn basic chords, how to create unique strumming patterns, and create a take-home ukulele songbook to use over the summer. We will also learn to play pop songs on the uke (like “Hey Soul Sister” and “Stiches”) and create our own 4-chord song! Uke can do it!

High School Canoe and Kayak Adventure

D. Cornwell

July 30-August 3

Looking for a program full of fun on (and in) the water? Our Canoe and Kayak Adventure Camp has what you seek! In this outdoor adventure, campers will receive instruction in paddling technique, safety and water navigation. We will be exploring local lakes and rivers, such as Glenn Lake or a section of the White River, stopping along the way to learn about plants, animals, and about conservation efforts in our community. There will also be time each day for free swim and games. Come and make a splash this summer, enjoy your lunch on the water or while exploring an island in the Canoe and Kayak Adventure Camp! Limit of 10 campers.

High School Outdoor Adventure

D. Cornwell

July 16-July 20

Hiking, biking, canoeing, climbing - experience them all this week! This multi-expedition camp offers you the chance to try many different outdoor adventures. Outdoor Adventure camp is perfect for those who like to mix it up and sample a variety of different outdoor activities. Go rappelling and rock climbing at Deer Leap and explore the ice caves in Pittsford. Learn paddling and portaging skills while canoeing on Chittenden Reservoir and Lefferts Pond. Hike and swim at amazing hidden water-holes. You will be challenged to push your limits physically and mentally while enjoying some amazing outdoor experiences. No prior experience necessary, however, campers should be physically fit and prepared to do new (and extreme) activities. Limit of 10 campers.

Kiln Glass
Carving Studio
July 16-July 20

Working with cut, slumped, and fused glass is an exciting and cool (though fiery hot) thing to learn. We will melt down bottles and create bowls and small sculptures, with color that work like paintings but when cooled down are glass and hard. With small pieces we will create mosaic's and cast forms that look like many other mediums but last forever as glass. We will learn the tricks and skills of how to cut the glass and how to melt it together, how to cool it, (annealing) and how various forms of glass can and cannot mix, (compatibility) and something about how the temperature and air within the kiln control the processes (atmosphere). We will learn how to finish these pieces and have some amazing objects that we can keep forever.

Sculpting with Paper
Carving Studio
July 23-July 27

This course is designed as an introduction to various methods for recycling waste paper into a practical, sustainable, and non-toxic structural material for making sculpture. We will become familiar with basic tools and processes that break down this abundant material to be used for paper maché, sculpting by hand, spraying and casting.

Carving Alabaster
Carving Studio
July 9-July 13

With expert guidance from the instructor, students will learn to carve and shape alabaster using a variety of tools. This hands-on workshop will allow the students to experience this process from an introduction in basic chisels to the end result of polishing and final textures. Alabaster is easy to carve and stunning in its beauty and colors. This course is intended for students on multiple levels as each person will build on their individual skills for making a sculpture. Individual instruction will accommodate all levels of experience.
