Rutland, Vermont

## Current Progress for Five Student

Below you will find a report of your current progress toward meeting the standards in your classes. An "M" indicates that an assessment is missing and a "U" indicates that the standard is unassessed at present. The 0-4 score next to the course name is your current course grade and below that you will see your current grade for each course standard that has been assessed to date. If you have questions about what you see here see your teacher. Additional detail is available on Jump Rope's parent portal.
