Message to Students from Your Principal

Welcome to Rutland High School!

The Rutland City Public Schools Vision Statement states:

RCPS cultivates a passionate, diverse, and resilient community of critical thinkers who learn with purpose, create innovative and responsible solutions, and lead lives of integrity.

At Rutland High School, we believe strongly that we all have a part in fostering and contributing to a “passionate, diverse, and resilient community.” The RHS handbook guides us and reminds us of how we can “lead lives of integrity.” Our goal during the time that you spend here is that all students act as “critical thinkers who learn with a purpose,” and who “create innovative and responsible solutions,” now and in the future.

Rutland High School and the Vermont community need you to make the most of your opportunities here. Work hard, and like other Raiders before you, be the difference in the world.

Finally, our simplest rule, perhaps this handbook boiled down to a phrase, is the idea, “Be kinder than necessary.”

Have a rewarding and enriching school year!

Greg Schillinger, Principal

Note: Parents, you may review our handbook on our website under the Parent/Student Resources link.
NON-DISCRIMINATION POLICY
In accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Higher Education Act of 1972, Section 504 of the Americans with Disabilities Act, and the rules and regulations promulgated by the Secretary of Health, Education and Welfare, it is the policy of Rutland High School that no person, upon the basis of race, color, national origin, creed or faith, gender or age, handicapping condition and/or disability, shall be excluded from participation in any educational program or activity at the school.

POLICIES STATEMENT
The policies and procedures outlined in this handbook are subject to the comprehensive policies adopted by the Rutland City School Board, set out in the Rutland City School District Policy Manual. Therefore, the policies and procedures in this handbook are subject to change, revision or amendment by the Rutland City School Board, with or without direct notice to students. Please refer to the Policy Manual for the most current version, which includes details for the Protection of Pipil Rights Act (RCPS Policy # 7679). It is available for inspection at the Office of the Superintendent of the Rutland Public Schools.

DUE PROCESS
Student discipline shall be consistent with due process of the law. The parent/guardian will be notified as soon as possible by an administrator of an offense and course of disciplinary action to be taken. The administrator or parent/guardian may request a meeting between parties involved in the incident and may subsequently request a following meeting with the building principal. Discipline, suspension or dismissal of students and recommended procedures for education, and for referral for treatment and rehabilitation shall be in accordance with state law. [VT Law: Title 3, Chapter 25 VSA]

TEACHER’S CREDENTIALS
Parents have the right to request information regarding the credentials of their child’s teachers. They can request the teachers’ level of certification, areas of licensure, and “highly qualified” status. Requests for information should be made to the school building principal.

ATTENDANCE

INTRODUCTION
Overall student achievement is directly related to consistent school attendance. One great expectation of Rutland High School is that all students will attend school on a regular basis maximizing the opportunities for students to take full advantage of all that is available to them. Developing good habits regarding attendance and punctuality will prepare the student for meeting career and job expectations. If a student is absent or going to be late, we recommend a parent call the Attendance Office (770-1096) and let us know. If this is not possible, please send in a note with your child upon his/her return to school explaining the absence. If the school is not notified of the student’s absence, the Attendance Officer will attempt to speak with a parent/guardian by phone.

ATTENDANCE PROCEDURES
Accordingly, the administration will implement our student attendance procedure which authorizes loss of credit for absences in excess of six (6) classes for quarter courses; in excess of twelve (12) classes for semester courses meeting daily and full year courses meeting every other day; in excess of sixteen (16) classes for full year courses meeting daily. Parents will be notified by mail after the fourth (4th) absence for quarter course, the sixth (6th) absence for the semester course and eighth (8th) absence for the yearly course. The deadline for loss of credit appeals is one week after the last day of the quarter.

A. Quarter Course
On the fourth absence, the attendance office will contact the parent/guardian by mail. When the student exceeds six (6) absences*, he/she will lose credit for the course regardless of the student's grade.

B. Semester Course (daily) and Full Year Course (every other day)
On the sixth absence the office will contact the parent/guardian by mail. When the student exceeds twelve (12) absences*, he/she will lose credit for the course regardless of the student's grade.

C. Full Year Course (daily)
On the eighth absence the office will contact the parent/guardian by mail. When the student exceeds sixteen (16) absences*, he/she will lose credit for the course regardless of the student's grade.
*He/she must:
1. Remain in the course and do their best to improve their attendance and appeal for credit reinstatement as soon as the attendance limit has been exceeded. Official documentation (doctor, court, DMV notes) will be considered.

Students attending Stafford Technical Center will adhere to the attendance policy of the center. The hearing procedure for Stafford students is outlined in item K.

D. Flex Block
All students are required to attend Flex Block. Seniors will have the opportunity to “Opt-Out” of Flex Block in the second semester provided they have been in good standing academically, behaviorally, and with regard to attendance.

E. Waived Absences
The following qualify as waived absences, and do not count toward the limit:
1. School sponsored trips.
2. Representation of Rutland High School in a school related activity.
3. Observance of Religious Holidays (with parental contact).
4. In the case of a death in the family, the Attendance Committee may grant up to five days of waived absence.
5. Post-secondary planning appointments (e.g. college visits)- Documentation of appointment must be presented to the attendance office upon the student’s return to school.

F. Extended Leave
1. Medical/Illness: Absences due to illness although "excused", count toward the total. These types of absences are what the 6, 12 and 16 days are designed to cover. Serious illness resulting in extended medical leave/hospitalization must be accompanied by a physician's note and may be waived toward the total. This will be done by the Attendance Officer or the Administration.

2. Students may request to have absences waived by completing a form detailing the educational benefits of the absence i.e. national competitions, student conferences, awards presentations and submitting it to an administrator at least ten (10) school days before the trip. This request will be acted on by the Associate Principal and will be returned to the parents within five (5) school days. If no request is made before the trip, no days will be waived. Extensions of school vacation times and family vacations will not be waived, although they may be considered excused.
G. Tardiness
1. Promptness to both school and class is very important. If students arrive late to school, they must report directly to the Attendance Office. **Students must bring a note to explain the reason for their tardiness or be able to contact a parent by phone at that time.** Excuses for being tardy must be received by the end of the day the student is late. If a valid excuse is not received by the attendance office by the end of the day, the student will be issued a 60-minute detention. Detentions may also be assigned for students who are tardy unexcused to class. Students will be allowed (6) excused tardies to school per semester. After the (6th) excused tardy, students will incur a 60-minute detention for each tardy unless documentation from a doctor, court, etc. is provided. Students must be in attendance by 8:30 a.m. in order to be eligible for any co-curricular activities on that day unless excused by an administrator.

2. If a student is late for more than half a class (40 minutes), misses the class as a result of being tardy or is late 3 times to the same class, he/she will be considered absent.

H. Dismissals
If a student misses more than half a class, he/she will be considered absent. Missing less than half a class for dismissal 3 times will count as an absence. Students are expected to be in school during their scheduled time. Therefore, **students may not leave the building without receiving a dismissal slip from the Attendance Office.** A written note or phone call from a parent or guardian giving date, time, and reason for dismissal is required prior to leaving school. **Leaving the building without permission (including parking lots and the trail systems that are adjacent to school property) is grounds for possible suspension.** Students who have reached the age of 18 must have parental/guardian approval to leave the building or grounds as well.

I. Cutting Classes
Cutting classes will count as an unexcused absence and will also result in a 60-minute detention. Classes missed will also count toward loss of credit. If a student cuts his/her last block of the day it is presumed that they left school grounds and therefore will be assigned an In School Suspension.

J. Reporting to Parents
It is the shared responsibility of school and home to promote good habits of punctuality and attendance. Cooperation is requested of parents whose children are in need of attention regarding punctuality and attendance.

Pursuant to the general statute, "each parent/guardian having control of a child between the ages of six and sixteen shall cause the child to attend an approved
public or an approved or reporting private school for the full number of days for which that school is held...”
Parents will receive report cards, which state the attendance status of pupils as well as letters and telephone calls as outlined previously.

Students who exhibit irregular attendance at school shall be referred to the school's Attendance Officer.

K. Hearing Procedure
   1. The student and parent will be provided an opportunity for a hearing at the warning and loss of credit point. This must be in writing.

   2. The Attendance Review Committee consists of a building administrator, student’s guidance counselor, and the Attendance Officer.

   3. The student and his/her parents will have the opportunity to present all corroborating information in support of their appeal.

L. Excessive Absences
If a student has exceeded 10 absences during the school year, a letter may be sent home requesting a Doctor’s note for any future absences from school. Failure to provide documentation for any missed days will be considered an unexcused absence.

Truancy
If the attendance office is unable to contact or receive correspondence from a parent/guardian, a student’s absence will be considered unexcused. Pursuant to Title 16 of the Vermont State Education Laws, the following notifications will be sent out:

1. After exceeding 5 days of unexcused absences, a warning letter will be sent notifying a parent/guardian and the Department for Children and Families (DCF) of the number of unexcused absences.

2. After exceeding 7 days of unexcused absences, a letter will be sent to a parent/guardian and DCF to attend a mandatory Truancy Intervention Meeting.

3. After exceeding 10 days of unexcused absences, a letter will be sent to a parent/guardian, and DCF, stating that all future absences will be considered as truant. In addition, an affidavit will be sent to the State’s Attorney Office in preparation for filing legal proceedings.
SCHEDULE CHANGES

When students sign up for a class, we expect that this is a firm decision, as students should not make hasty decisions on their choice of courses. Requests for changes may be made through the appropriate Guidance Counselor until the close of school in the spring after registration. Also, there is a time before school begins in the fall, where justified changes may be made. Student initiated schedule change requests will be considered during the first two (2) weeks of full year or semester course and first five (5) days of a term course. Changes in schedules will be accommodated only if the master schedule permits. Students wishing to withdraw from a course must obtain written parental permission, consent of the instructor and the appropriate Guidance Counselor. **Students must remain in the class until all paperwork has been completed and the change form is returned to the Guidance Office.**

WINTER TERM SCHOOL GUIDELINES

Students attending winter term school programs are required to begin their semester-long classes at RHS and finish them at the winter term school or begin their courses at the winter term school and finish them at RHS. Students participating in winter term programs cannot take semester-long courses exclusively at the winter term school.

VIRTUAL HIGH SCHOOL

Rutland High School, in partnership with Virtual High School, offers a variety of online course options to enrolled, Rutland High School students. The purpose of this partnership is to increase the course offerings available to RHS students. The courses that students may take are those in the VHS course catalog (see VHSLearning.org) that are not offered at RHS during the school year. VHS courses are considered as RHS courses in regards to school-wide procedures such as Honor Roll, GPA, and athletic eligibility. VHS classes may not be used to meet a content-area graduation requirement, such as 1 of the required 4 English classes. Students may not take more than 1 VHS class at a time. VHS courses will be included on a student's final transcript and students wishing to request a VHS class should see their Guidance Counselor.

DROPPING CLASSES

Students who withdraw from courses during the first two (2) weeks of a full year or semester course or first five (5) days of a term course will not have the name of the course entered on their transcripts. No penalty will be attached to dropping during this time. Courses dropped after the first two weeks/5 days, however, will carry either a "Withdrawn Pass" (WP) or a "Withdrawn Fail" (WF) notation.
GRADING SYSTEM
Student grades will be determined by the degree to which a student has demonstrated proficiency in identified course standards. Assessments will be tied to a course standard or standards and the student will demonstrate proficiency through successful completion of the assessment. Assessments will be reported on a 0 through 4-point scale with half point increments.

- 4 – In addition to score 3.0 performance, the student demonstrates in-depth inferences and applications that go beyond what was taught.
- 3 – The student has met the standard.
- 2 – The student has gained an understanding of the vocabulary and simpler processes of the standard.
- 1 – With help, the student can demonstrate partial success with the vocabulary and simpler processes of the standard.
- 0 – Little or no evidence of achieving the standard.

Term and final grades will be determined by weighted average.

Mid-term and final exams represent an opportunity for students to demonstrate their proficiency via a culminating test, project, or performance. Exams will often address multiple standards.

Habits of Work
Habits of Work (HOW) grades will be determined by the degree to which the student has demonstrated proficiency in the HOW standards related to responsibility, collaboration, perseverance.

Students will receive a HOW grade of 4.0 for Responsible and Involved Citizenship upon the successful completion of each athletic season.

Y.E.S. Plan Grading
Beginning in the spring of 2018, YES Plan grades will be reported on a 0 – 4 scale, which will align with the grading system for each marking period throughout the year.

ACADEMIC HONORS
Rutland High School offers academic honors to those students who have achieved academic excellence during their high school career. This process will apply to the Class of 2016 and following.
Procedure:

Grade Point Average (GPA) – for an individual student when reporting to colleges:

A cumulative, weighted grade point average, based on a 0-4 point scale, shall be calculated at the conclusion of a student’s junior year. Subsequent calculations will take place at the end of each following semester and shall be calculated based on semester, term and/or final grades (whichever is the latest for a particular course).

Academic Honors:

- Summa Cum Laude – GPA of 3.9 or higher
- Magna Cum Laude – GPA of 3.6 to 3.89
- Cum Laude – GPA of 3.4 to 3.59

Cumulative, Weighted GPA Profile – for reporting school-wide results to colleges

A student’s GPA is a numerical average weighted with .4 points added for Honors and A.P. courses. Once a year, the school publishes a school profile which includes data from the previous school year’s graduating class. The profile shall identify the number of students on a range of GPAs including those who have achieved the various honors standards. Recognition at graduation will be based on the GPA at the conclusion of the 4th term of senior year.

Scholarships/Awards: In some unique cases where an award, scholarship, or special circumstance requires the reporting of rank, the principal may (with student permission) confidentially report this statistic to an external agency. Request for such an exception must be made to the high school principal.

Graduation Speakers:

Any student who is Cum Laude or above may submit a speech. Two students will be selected to speak at graduation based on a “blind” judging process by representatives from:

- Senior Class Officers – Student Senate
- RCPS Staff

If a class officer or member of the Student Senate submits a speech, they will not be eligible to be a judge. The selection process will be developed by the school administration. The Administration reserves the right to determine whether a speech is appropriate for consideration, as well as the right to choose the student speakers if the selection committee cannot come to consensus.

ACT 176 – HIGH SCHOOL COMPLETION PROGRAM
Established through 16 V.S.A. 1049, the High School Completion Program allows a person not enrolled in school and between the ages of 16 and 21 to be eligible to request an individual graduation plan in order to obtain a high school diploma. Educational services may be provided by a public/independent high school, an approved provider, or a combination of these. School districts shall award a high school diploma to persons who successfully complete their approved graduation education plans. Call 775-0617.

NATIONAL HONOR SOCIETY
Rutland High School has been inducting students into the National Honor Society since 1929. It not only recognizes a student’s scholarship, but the qualities of leadership, service and character.

Criteria for Selection:
Scholarship: To be eligible for induction to the National Honor Society, a junior or a senior must have earned an unweighted grade point average of 3.0 or higher. Students will be invited to apply to be accepted into the National Honor Society after five semesters and again after seven semesters.

Leadership: Consideration is given to the positions of leadership a student has held in school and community organizations or athletics. Leaders exert a wholesome influence on school and community by taking the initiative in activities. A leader has self-confidence and a willingness to yield personal interests for the interests of others.

Service: Proven willingness to work without recognition for benefit of school or community indicates a student’s commitment to service.
Character: Demonstrating qualities of reliability, honesty, sincerity, and making the right choices proves by example that a student values character. Chronic discipline problems are not the characteristics expected from a National Honor Society member.

Once students are admitted, it is expected that they will maintain their commitment to Scholarship, Leadership, Service and Character. The Rutland NHS chapter follows the very specific National Honor Society guidelines for acceptance and dismissal. Chronic discipline problems are not the characteristics expected from a National Honor Society member.

There are very definitive National Honor Society guidelines for selecting and dismissing students that the committee uses. Once a student is dismissed, that student will never be eligible again.

STUDENT GOVERNMENT
Each graduating class elects six officers for every school year: President, Vice President, Secretary, Treasurer and two Senators. Class officers meet frequently to organize class fundraisers and events.

The Student Executive Board consists of eight students who apply and are selected by a student/faculty committee. The student representative to the School Board, who is elected by the entire student body, chairs this board. The Executive Board is responsible for representing student interests to the school administration and on district-wide policy-making committees.

The Student Senate will meet periodically throughout the year as a forum for discussion of school issues and events. Student Executive Board members, class senators, representatives from clubs, athletic teams (in season) and musical groups are given voting rights at meetings. However, all students are encouraged to attend and participate in discussion.

SUMMER SCHOOL POLICY
Students are required to receive prior approval from their Guidance Counselor before enrolling in a summer school course. Summer School courses must be equivalent to courses offered at RHS as determined by the Guidance Department.
INFORMATION CENTER/LIBRARY (IC)
The Information Center is dedicated to serving you. "Respect" sums up the conduct rule in the RHS Information Center. "Respect" the rights of others to study quietly or conduct research. Failure to do so could lead to the restriction of IC privileges.

Information Center Hours:
Monday-Friday 7:30 a.m. to 3:30 p.m.

Students may borrow materials for a two (2) week period. Information Center materials may be renewed at any time. Current issues of magazines do not circulate outside of the IC. Reference work and books placed on reserve may only be checked out of the IC with permission of the supervisor.

SCHOOL PROPERTY
Students are expected to return all borrowed school property such as text books and library books in a timely fashion. Students will be responsible for either replacing or paying for property that is damaged or not returned.

STUDENTS WITH A OR E BLOCK OFF
If you have A Block off, you have several options:

- Stay home until B Block begins.
- Get your books and materials quietly and stay in either the cafeteria or the Information Center (these are the only places that you may be during this time period—the Information Center is available only if there is room during that block).

Special Note: Students will not be allowed to go to upstairs lockers in the ten minutes prior to B Block (9:00-9:10) as this causes much commotion and can disturb A Block classes that are in session.

If you have E Block off, you have several options:

- Go home because in many cases this is the end of your school day.
- If you cannot go home because of transportation issues or extracurricular activities, you may sit quietly in the front lobby or utilize the Information Center if you have legitimate study to do and there is room available. You should not be in any other areas of the building. No wandering!
SECTION 3
Code of Conduct

ACADEMIC HONESTY POLICY

Academic Integrity: Academic integrity is a basic value of Rutland High School. Research, scholarship, and teaching are possible only in an environment characterized by honesty and mutual trust. Simply expressed, academic integrity requires that one's work be one's own.

Teachers are expected to discuss with their classes what academic integrity means specific to their own subject and class.

Violations of academic honesty have a serious impact on the intellectual climate of the school. Therefore, they will be taken with the utmost seriousness and appropriate sanctions imposed.

Violations of the academic honesty policy should be addressed with behavioral consequences. Teachers should reassess and determine the actual level of achievement. Assignments that violate academic integrity will not be accepted for credit.

There are several ways in which academic honesty can be violated. The College Board has developed these categories of types of violations: Cheating, Plagiarism, Unauthorized Collaboration, Alteration of Data, Stealing Examinations, Forging Grade Reports, Selling, Loaning or Distributing Materials for the purpose of cheating. Furthermore, students are required to adhere to the school-wide standardized writing format distributed by the English department.

ASSEMBLIES
We will have assemblies periodically. Students are required to attend assemblies. Students are expected to conduct themselves in an acceptable manner.

DRESS CODE
Rutland High School believes that appropriate dress and grooming contributes to a productive learning environment. Students are expected to wear clothing that is clean and safe. Clothing that disrupts or substantially detracts from the educational process will not be allowed. Any clothing endorsing alcohol, drugs, tobacco, or displaying inappropriate words or pictures is prohibited. Shoes must be worn at school. Dress and appearance are considered the responsibility of the student and her/his parents or guardians with the following limitations.
Matters involving a violation of the dress code will be dealt with on an individual basis in as discreet a manner as possible. In such situations, a member of the administration will determine whether or not a student is in violation of the dress code. The school will provide clean clothing for students that need to change. Students who refuse to change will be sent home.

**AEROSOL SPRAY**
Due to the potential for adverse medical reactions among our students and staff, Rutland High School aspires to be aerosol-free. Please be considerate and use non-aerosol products in the building.

**PUBLIC DISPLAY OF AFFECTION (PDA)**
Students should not be engaged in inappropriate physical contact. Such action could result in disciplinary action.

**DANCES**
Only high school students will be allowed to attend RHS dances. Certain exceptions may be made for graduated students who are under the age of 21 to attend the Junior/Senior Prom. Students in 8th grade and younger will not be permitted to attend any Rutland High School dances.

**ELECTRONIC DEVICE POLICY**
Students are to put all cell phones, earbuds, and other electronic devices and accessories away when in class or in the library unless the teacher specifically authorizes use. However, when class is not in session, devices may be used in common areas, such as the lobby, hallways and cafeteria in a manner that respects the rights of others. Headphones/earbuds shall be used in common areas if listening to music. Cell phones shall be silenced at all times.
When a student inappropriately uses an electronic device during class time, the teacher will send the student with their electronic device to the attendance office. Students may not leave class to use a cell phone unless specifically authorized by a staff member.

**PHOTOGRAPHS AND VIDEO**
Students are required to receive faculty/administrative approval to take pictures/videos during the school day. Students must also receive faculty/administrative approval prior to posting pictures/video taken during the school day on any social media site. Failure to receive faculty/administrative approval may result in disciplinary action.
STUDENT BEHAVIOR GUIDELINES AND PROCEDURE

1. **Introduction**: Adults and students interact through courtesy, reasonable rules, mutual respect and good humor in a safe, orderly, disciplined environment. It is important to note that not all infractions or consequences can be listed; therefore, the administration will exercise discretion in determining inappropriate behavior and determining appropriate consequences, which may not be specifically outlined in this handbook, as necessary.

It is important to state, that any threat to the safety of any staff member or student, whether direct or implied, will be taken very seriously. The police may be involved and the student(s) may be temporarily or possibly permanently removed from any and all school settings. RHS Policy 7492

2. **Inappropriate Behavior**: Violations such as talking out of turn, not having proper materials, throwing papers, leaving class before the bell, inappropriate peer interactions, argumentativeness, persistent tardiness, etc. should be resolved at the classroom level between the student and teacher. Repeated violations will trigger a referral to the appropriate Associate Principal. Students who cut a class will be given a 60-minute detention for each class cut. Failure to serve detention will result in a one-day, in-school suspension.

**SMOKING**

No one (adult or student) is permitted to smoke or use tobacco products of any kind on the Rutland High School Campus or on school buses at any time (this includes e-cigarettes such as vapes and juuls). Students who violate this rule will be subject to suspension. All school-sponsored trips are included in this policy. [VT Law: Title 18, Chapter 37 VSA]

In addition, it is a civil violation for a person under the age of 18 to possess or purchase tobacco products. It is also a civil violation to furnish tobacco products to a person under the age of 18. Violations of the statute can result in fines and loss of driving license as well as suspension from school.

**DISCIPLINARY PROCEDURES**

1. **Intervention Options Prior to Referral**: In any confrontation, either in class or throughout the building, the student will be given an opportunity to work out the problem with the teacher through the following options:
   a. Conference to discuss the rules
   b. In-class time out
   c. Verbal plan
   d. Informal written plan
   e. Parental contact
   f. Parental conference
2. **Detention**: Students may be required to remain after school for infractions which include but are not limited to: tardiness to school, disrespectful behavior, cutting class, disruptive behavior.

3. **Detentions begin at 3:15 daily.** Students missing detention who have not made a prior arrangement with the person assigning the detention will receive an in-school suspension. It is important to remember that a suspension in or out of school is an absence and counts toward the attendance limits (See page 9-10 Under Tardiness for details).  
**Detentions take precedence over ALL other school related functions.**

4. **Planning Room**: Students who are assigned an in-school suspension spend the day in the Planning Room. In addition, students who have been sent out of class for disciplinary reason typically spend the remainder of the block in the Planning Room, after being sent to the Attendance Office. Students are expected to make proactive use of their time while in the Planning Room and make progress toward completing class work.

5. **Major Rule Violations**: A student who violates one or more of the major rules is directly referred to an Administrator. Such violations include violence, vandalism, gross disrespect to staff, smoking, substance abuse, truancy, leaving school grounds without permission, failure to attend an assigned detention, possession of firearms, explosives, or weapons, or other major offenses. The Rutland City Police will be notified and involved when appropriate.

   The administrator will determine appropriate consequences for student misconduct. Normally, the student will be suspended from school for up to five days.

   The student will be readmitted to school only after a meeting with student, parent/guardian, and an administrator.

   A second major offense of any school rule will result in another suspension of up to nine days. Further violations may result in an indefinite suspension pending a decision regarding expulsion, following a hearing with the Superintendent and School Board.
**SUSPENSIONS**

**Out of School:**
Students may be suspended for infractions which are serious and cannot be adequately addressed by detention. Suspension refers to the temporary removal of the student from the regular school program. The administrator in accordance with the policies of Rutland Public Schools will determine the length of time of a suspension. Suspensions may result in loss of all privileges during suspensions, e.g. extra-curricular activities such as sports, etc. and loss of privileges may extend beyond the period of suspension. Suspensions in or out of school count toward the total absences a student can accumulate before losing credit.

**In-School:**
Students are expected to be on time. In-School Suspension begins at 7:55 a.m. and ends at 3:11 p.m. Students will be given the work of the classes they are missing for that day. Student should arrive at the Planning Room prepared to be productive and have all materials necessary to complete their work.

Rules will be posted in the Planning Room and students will be given guidelines for expected behavior while they are in ISS. If a student violates a rule, he/she will be warned (once), if a student again violates that rule, he/she will be sent out to the appropriate administrator where action will be taken depending on the severity of the behavior.

The Planning room supervisor is available to assist with work, to discuss with students why they are there, and how it can be prevented from happening again.

**EXPULSION**
Occasionally, the school will exhaust all of its resources and procedures in dealing with a student. The school is also occasionally faced with an infraction, which is so serious that it cannot be dealt with effectively using detention or suspension. Vermont State law provides that a student may be expelled for the remainder of the academic year for misconduct on school property, on a school bus, or at a school-sponsored activity. In addition, the Superintendent or Principal may immediately remove from school a pupil who poses an imminent danger to persons or property or an ongoing threat of disrupting the academic process of the school, or a pupil who brings a weapon to school. [16V.S.A. 1162] A student may also be expelled in accordance with procedures adopted by the Rutland City School Board.

**APPEAL**
The student, or parent/guardian of a student may appeal a suspension or expulsion by giving notice of appeal to the principal.
SECTION 4
School Services

HEALTH SERVICES
The Health Office is staffed by two registered nurses. The nurses provide health counseling, illness evaluation, health education, and first aid/emergency care as needed. A nurse is available from 7:45 A.M. to 3:15 P.M., but special appointments can usually be made if requested by a student, parent, or guardian. Parents/guardians are urged to notify the Health Office if there are any particular health concerns which may impact their child’s schooling; please do not hesitate to call with any questions, or if the nurses can be of help in any way. In case of an emergency, the parent/guardian will be notified. Students in need of immediate medical care may be transported to the Rutland Regional Medical Center via ambulance; every attempt will be made to contact a parent/guardian before this is done.

Dismissal due to illness:
Students needing dismissal because of illness must be assessed by one of the school nurses, who will contact the parent/guardian or an emergency contact designated by the parent/guardian. No student will be dismissed without appropriate permission and must take a pass to the Attendance Office when leaving.

Medications during school hours:
Students needing prescription medication during school hours must follow the school policy [#7611]. Forms are available from the school nurse, main office or from most physicians. A signed statement from the physician and signed permission from the parent must be presented to the school nurse. Any medication must be brought to the health office in a container appropriately labeled by the pharmacy and will be dispensed by the school nurse or designee.

Students who need to carry prescription medication to self-administer (such as inhalers and Epi-Pens), must comply with the prescription medication policy as well as have a physician document the need to carry the medication. Non-prescription medication may be administered by the school nurse or designee, in recommended dosages as necessary for minor discomfort. Please complete and return the annual health update form, on which is a list of medications offered, and a space for signed parent/guardian permission for over the counter medications.

Health Office
Phone: (802) 770-1086, (802) 770-1087
Fax: (802) 770-1407
Health Screening:
All ninth and twelfth grade students will be screened for possible vision difficulties. You will be notified if we feel your child needs further evaluation. Students in other grades can be assessed at parent, student, or teacher request.

LOCKERS
Students will be assigned a locker at the beginning of the school year. Students are reminded that lockers remain school property at all times and are simply on loan to you. The School will not be held responsible for any losses incurred. Nothing shall be posted or displayed in or on lockers. Pursuant to Federal Law, the administration reserves the right to inspect lockers at any time, without prior notification. Lockers are allocated to students for their convenience only. Lockers are provided to cut down on pilferage, not to insure student privacy, and no such privacy is implied or should be inferred. Students should lock their locker at all times.

SCHOOL CANCELLATION
In the event it is necessary to close school for the day, due to inclement weather or other emergency reasons, listen to radio stations, WSYB/Z97, WJJR, WJEN, television Channel 1095. There may also be occasions when families are notified of school closings via the district’s Alertnow Phone Messaging System. As a result, it is imperative for the school to have accurate phone numbers. Cancelled school days will be made up at the end of the year.

SCHOOL DELAY – TWO HOURS
For occasions when it is necessary to delay the opening of school, we will implement an abbreviated day schedule.

BUILDING AND GROUNDS
We are fortunate that our community has provided us with some of the best facilities available. We owe it to them take the best possible care of the building and grounds. For any flagrant misuse or abuse, students and their parents will be required to pay for damages resulting from vandalism or inappropriate behavior.

STUDENT INSURANCE
Each student is eligible to purchase insurance coverage for accidents and mishaps that may occur during the school year. Insurance forms are distributed at orientation. If parents wish to subscribe to this insurance, they must completely fill out the forms provided, and send them (along with payment) directly to the insurance carrier.

All students participating in athletics must submit proof of insurance before they may participate, as the school does not pay for athletic insurance.
FOOD SERVICE
1. The cafeteria provides an area for students to have a pleasant breakfast and lunch with friends. The dedicated staff works very hard to provide nutritious and tempting fare. Food is available to students and personnel from 7:00 a.m. (breakfast) until 1:05 p.m. (lunch/snacks) daily.
2. Students should eat only during their assigned lunch period.
3. Students are not to leave the cafeteria until dismissed by the supervisor. Food is not allowed out of the cafeteria.
4. School rules regarding appropriate behavior apply to the cafeteria environment.
5. Students may not have food from outside restaurants delivered during the school day without permission from school personnel.
6. To take advantage of our free/reduced food service program call Carrie Heath at 786-1926.

TRANSPORTATION
1. Students walking to school are reminded about the need to adhere to all safety concerns for pedestrians and to use the sidewalks on Woodstock Avenue and Stratton Road. Drivers dropping students off are to do so in the turn-around area around the back of the school by the cafeteria. In keeping with Vermont state law and Rutland City Public Schools’ policy, all school grounds are idle free zones. Vehicles may idle for up to 5 minutes according to law and policy, but we request that all cars be turned off upon stopping on school property. Dropping students off on Woodstock Avenue, Stratton Road or one of the nearby local businesses is prohibited.
2. Students wishing to drive a car to school must go through the parking permit/sticker application process and will need to comply with all requirements of that process in order to be issued a parking permit. Only one permit per family will be issued. Parking for students is restricted to the student parking lot or Gleason Road. The number of spaces is limited and the cooperation of student drivers is requested in order to maximize the number of student vehicles, which can be accommodated.
3. A limited number of bus routes will be established from the western side of the city, in addition to service provided by Marble Valley Transit. Location and times of Rutland City school bus routes will be disseminated to students at their orientation in the fall and published in the local newspaper.
4. Skateboards and Longboards may be used as transportation to and from school but may not be used at school during the school day for safety reason. Skateboards and Longboards must be left in lockers during the school day.
SECTION 5
ATHLETIC/ACTIVITIES DIGEST

We are very pleased that you have expressed a desire to become a part of our Athletic/Activities Program. To obtain the desired educational benefits the following responsibility must be adhered to by the participant:

- A need for a physical examination for athletes.
- A need for all athletes to be covered by some form of health insurance.
- A need for parents and students to sign the activity permission form and activity contract.
- A need to fulfill all eligibility requirements as outlined by R.H.S. and the Vermont Principals Association.
- A need to adhere to all behavioral policies and certain prescribed training rules as outlined by R.H.S.

All of these items among others will be discussed in detail in this brochure. We ask that you read and discuss these items and feel free to respond with any questions or concerns. We hope that your involvement with a R.H.S. activity will be a rewarding experience for the whole family.

*Apply to Athletic Activities Only

PHILOSOPHY
We believe that the opportunity for participation in a wide variety of student-selected activities should be a vital part of all students’ educational experiences. Such participation is a privilege that carries with it responsibilities to the school, to the activity, to the student body, to the community and to the students themselves. These experiences contribute to the development of learning skills and emotional patterns that enable the student to make maximum use of his or her education and create a desire to succeed and excel.

PHYSICALS*
It is the policy of R.H.S. to require a physical examination every two years for students engaged in interscholastic athletics. These physicals are at the expense of each individual. Proof of physical must be on file with the Athletic Director prior to the athletes' participation in practice and/or games.

The Athletic Department has a form for this purpose. If you have had an injury/illness that has lasted longer than a week in the last six months, you will need a statement from your physician as to your ability to participate.
INSURANCE*
Pursuant to Vermont Principals regulations: No student may participate in any VPA-sanctioned activity without providing evidence to the student's school administration or designee prior to participation in an activity showing that the participant is covered under some private or public health insurance program for the medical care for injuries that may be suffered on account of participation in an activity. Member institutions are encouraged to work with their student participants and parents to help make available individual insurance policies at affordable cost to students who wish to participate in VPA-sanctioned activities.

FORM/CONTRACT
The activity permission form and participation contract must be completed and signed by the candidate and his/her parents or guardians prior to eligibility for practice and/or play. Separate forms must be completed for each activity in which the student is a candidate.

ACADEMIC ELIGIBILITY
1. This procedure will apply to all students at Rutland High School Grades 9-12.

2. Quarterly marking period grades will determine eligibility. YES Plan may also cause a student to become ineligible.

3. A student who passes all of his/her courses in a given marking period and who is considered a full time student (3 credits per semester and 7 per year) is eligible for participation for the following marking period. A grade of WP (Withdraw Pass) allows a student to maintain eligibility.

4. A student who receives two or more failing/incomplete grades (including WF) will be ineligible for participation for the next quarterly marking period. An ineligible student may practice provided he/she is getting tutorial assistance each week for each class failed, but cannot participate in any game, event, or performance at any level. Ineligible athletes who continue to be involved in their respective sports program will be eligible for letters, certifications, bars, jacket points, etc., if they have completed the requirements for those team awards prior to becoming ineligible.

5. The failure of one YES Plan will also render a student ineligible for the fall (this is in addition to the possibility of losing eligibility through two or more 4th quarter failures). Students may regain their YES Plan eligibility by completing 30 hours of community service prior to August 1 of that school year.

6. A student who is ineligible due to an incomplete grade may regain eligibility by completing missing work and providing documentation from the teacher to the athletic department. A student who is ineligible due to failing grades may
regain his/her eligibility at progress report time of the following quarter provided the student earns no course cumulative grade below 2.0. A student may regain eligibility for 1st quarter by taking either a remedial, summer school or approved program and passing with a 2.0 or better.

7. A student who fails one course may retain his/her eligibility by attending three extra-help sessions per week. Potential options for students to consider include: Flex Block, after school help, peer tutoring, or any other arrangement approved by the Principal and/or Athletic/Activities Director after consulting with the student, teacher, and parent(s). Failure to attend extra-help sessions will immediately result in forfeiture of eligibility.

8. If a student withdraws/failing from a course and, at the same time, transfers to a new course, the failing grade will not count, provided the student passes the new course that marking period. If a student withdraws/failing and a course is not substituted, the failing grade will be considered a failing for that quarter.

9. The eligibility of a student transferring to Rutland High School will be determined by the same regulation as a student already enrolled at R.H.S.

10. Eligibility will be determined five school days after the close of each marking period.

CITIZENSHIP RULE
Participation in a school activity is a privilege. Participants must earn and maintain the privilege to represent Rutland High School or Rutland Middle School by conducting themselves in a positive, safe and respectful manner, one that does not tarnish the image and reputation of the school in any way.

Any participant whose conduct is determined to have brought discredit to her/himself, the team, club, activity or school in any way will be subject to loss of the privilege to take part. This will apply to actions before, during and after school hours, year round, both on and off campus.

PROCEDURE
An Associate Principal, and the School Resource Officer when appropriate, will conduct an investigation into the matter.

Upon determination that a student has violated this rule, a discipline committee will convene to determine the consequences. The discipline committee will be made up of:

- Associate Principal/Activities Director/Athletic Director
- Coach/Advisor
- Teacher
SUBSTANCE USE-ABUSE
With the support of the findings of the Vermont State Medical Society, the Athletic Department at R.H.S. firmly believes that the use of chemical substances is detrimental to an individual's health. Therefore, the use, sale or possession of tobacco, alcohol, or illegal drugs is prohibited! The Substance Abuse Rules begin at preseason in the fall and lasts until the last event in June. Consequences for non-athletic activities will be of comparable length of those listed below. These rules and consequences will apply to students in grades 9-12.

First Offense . . . For the first incident, a suspension from one-fourth of the games during that season (if less than 1/4 season is remaining, the time will be continued during the next season of participation). The student must complete an initial substance abuse referral with an outside substance abuse counseling agency (at the family's expense) and follow through on said agency’s recommendations. The student will also perform 20 hours of community service (and may be released from practice to do so), which must be approved by an administrator. If a student is not "in-season" at the time of the violation, counseling and community service shall take place immediately. The suspension will be during the next season of participation. If the student admits to the violation on his/her own, the consequences will be reduced to 1/8 of the games.

Second Offense. . . For the second incident, the student will be suspended from competition for the current season and from competition during a second season. During the second season the student must participate on a team for the full season, except for competing in any contests. This participation must be agreed upon in writing from the student, a parent/guardian, the coach and the Athletic/Activities Director prior to the start of the season. The student must complete an initial substance abuse referral with an outside substance abuse counseling agency (at the family's expense) and follow through on said agency’s recommendations. The student must also complete 40 hours of community service. If the student admits to the violation on his/her own, the consequences will be reduced to the first offense consequences.

OR
Any student who violates the school’s substance abuse rules for a second time may opt to participate in a random drug-testing procedure in place of the appropriate suspension. This drug testing may take place periodically from the date the student and parent agree to this option up to one calendar year. The testing will be at the expense of the family. A positive test would result in a reinstatement of the corresponding suspension from the date of the positive test.
PROCEDURE

- At the time of a meeting with the student of a second offense, the student will be notified of the option for the random drug-testing program as an alternative to the co-curricular activity suspension (the community service and counseling will still be required). This information will be included in the follow-up letter to the parents/guardians.
- Over the next 12 months, the student will be asked to randomly submit to a drug test on up to 4 occasions.
- When a test is requested, the student will be expected to report to the Rutland Regional Medical Center within a timeframe agreed upon in writing between the parents/guardians and the RHS Associate Principal. Failure to meet this timeline will be considered a “failed” test. This request will be made from the Associate Principal in charge of activities.
- The student and a parent/guardian will be required to sign a release form allowing the lab to share their findings with the Associate Principal.

Third Offense . . . For the third incident, a student will be suspended from participation of activities for the remainder of their school years.

Any infraction will mean the automatic loss of any award in that sport for that season.

If you are ineligible in one activity you are ineligible for all activities during that particular season.

At each incident the Athletic/Activities Director, following a meeting of the student, administrator, and the coach/advisor will notify the student’s parent/guardians of the situation. A written report of this meeting will be filed in the office of the Athletic/Activities Director, and a copy will be sent to the student's parents/guardians. Any appeal must be made to the building Principal.

HAZING (Act 120. Sec. 2. 16 V.S.A. 11(a)(30))…means any act committed by a person, whether individually or in concert with others, against a student in connection with pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization which is affiliated with an educational institution; and which is intended to have the effect of, or should reasonably be expected to have the effect of humiliating, intimidating or demeaning the student or endangering the mental or physical health of a student. Hazing also includes soliciting, directing, aiding, or otherwise participating
actively or passively in the above acts. Hazing may occur on or off the campus of an educational institution.

Anyone committing the act of hazing may be suspended indefinitely from all school activities and will be referred to the local police for charges of harassment.

**ATTENDANCE**
The following policies will govern athletic/activity participation:

1. A student absent from school may not participate in practice or play in any game or activity scheduled for that day unless given approval by the Athletic/Activities Director and/or Associate Principal.

2. A student who is absent the day before an event scheduled for a non-school day shall not be eligible to participate in that event unless the absence was due to sickness or other extenuating circumstances. In such cases, approval to participate must come from the Athletic/Activities Director and/or Associate Principal. It is the responsibility of the student and coach/advisor to secure such approval (note or call from parent).

3. A student shall be considered absent and unexcused if not in attendance by 8:30 A.M. (9:30 A.M on Wednesdays) and may not practice or play in any game or activity scheduled for that day.

4. When a student anticipates an absence from school on the day of a scheduled event, the coach or advisor should be notified by the student, the student must also seek approval to participate from the Athletic/Activities Director and/or Associate Principal. Funerals and college interviews are some reasons an athlete may be absent.

5. It is the responsibility of the coach, advisor, or a designee to check the attendance list every day. No student listed as absent shall participate in a practice, game, or event that day unless approved by the Athletic/Activities Director and/or Associate Principal.

NOTE: Rule #3 shall serve as the directive for all decisions in regard to student absenteeism on the same day as an event. The only exceptions to this shall be dental or physical appointments verified by the doctor's signature.

**INJURIES**
All injuries, which occur while participating in athletics, must be reported to the student's coach and/or athletic trainer. Once a physician treats an athlete, he/she must obtain the doctor's permission in order to return to the activity.
TRYOUTS
It is the school’s desire to see that as many student athletes as possible are involved in the program during the athletic season. Unfortunately, due to facility space, time constraints, and additional factors, limitations are placed on sizes of teams for each individual sport. The athletic department recognizes these concerns and is striving to maximize the options available for student athletes in the athletic arena as participants or supporters of the program.

Tryout Policy Procedures

1. Choosing the members of the various athletic teams is the responsibility of the coach.

2. Before tryouts begin, coaches will provide team information to all candidates and parents of the team at a preseason meeting. Such information shall include:
   - Length of tryout period – a minimum of five days
   - Objectives used to select the members of the team
   - Approximate number of team members that will be selected and criteria involved in selection – positions needed, etc.
   - Distribution of practice and game schedule. The coach will explain the commitment necessary to join the team.
   - Clear notification that tryouts are based on performance during the selection period. Tryouts are not based on summer participation or coaching camps the athletes participated in previous to selections.

3. Sub-varsity coaches will follow the criteria for selection that have been established for the particular sport. Head coaches will be involved in sub-varsity selections to aid these coaches.

4. When lowering the numbers on teams becomes a necessity, a coach will provide the following opportunities for each player:
   - Lists or rosters of team membership will not be posted. Each coach will meet with each candidate individually to discuss strengths, weaknesses, and squad membership or reason for non-membership.
   - Coach will discuss options or alternatives for those individuals who do not make the team. Such alternatives could include participation in a team support position.
   - Each athlete must have had an opportunity to perform in at least one intra-squad competition (unless weather prohibits).

CUT POLICY*
Middle School and freshmen – all efforts will be made to retain a reasonable number of players, however, cuts may occur if absolutely necessary. Junior Varsity - all efforts will be made to retain a reasonable number of players, however, cuts may occur. Varsity - cuts are more likely in some sports.
PLAYING TIME*
The individual’s ability, attitude, and the team situation determine playing time at the Varsity level. At the freshman, Junior Varsity and Middle School level, every effort will be made to ensure each athlete participates in every event. It is expected that members of the freshman and JV level teams will see action in each game as long as they fulfill all of their team responsibilities and expectations, and that their participation does not constitute a potential danger to their physical well-being as determined by the coaching staff.

UNIFORMS AND EQUIPMENT
Students are responsible for all uniforms and equipment issued to them. They are responsible for keeping them clean and in good repair and for returning them at the end of the respective season. They will be liable for lost and damaged items and will be charged as determined by the respective coach/advisor and administration. For all students, future participation in co-curricular (athletic, non-athletic, dances, etc...) will be denied, and seniors will not be allowed to participate in any senior activities (Graduation, Sr. Ball, etc...), if uniforms, equipment, or its face value are not returned or reimbursed.

AWARDS CRITERIA
The recognition for successful participation in an activity is important to the participants, the school, and the community.
1. All sub-varsity and varsity participants will receive a certificate of participation.
2. A participant who is a member of a varsity level activity for the entire duration of the respective season may be awarded the appropriate letter or medal insert award. The award will be based upon the recommendation of the Head Coach.

PERSONAL PROPERTY
There is a strong emphasis to secure all those items considered valuable. All lockers should be locked at all times. If necessary, all large amounts of money should be secured with the individual coaches.

TRAVEL
Participants are to travel to and from all events in school designated transportation. In certain circumstances, special permission to ride home with parents may be obtained from an administrator. IN NO CASE SHALL PARTICIPANTS BE ALLOWED TO RIDE WITH OTHER STUDENTS OR TO DRIVE THEIR OWN VEHICLES.
CHANGE OF SPORT POLICY*
No athlete may quit or be suspended from a sport and turn out for another after
the season (first practice to last game) has begun, without the mutual consent of
both coaches, and the approval of the Athletic Director.

MISSED CLASSES
Students who miss class as a result of extra-curricular events or excused
absences are expected to make up work as soon as possible. This may include
after school sessions. Participants, coaches, and advisors should understand that
practice is not an acceptable excuse for failing to attend after school help
sessions.

ELIGIBILITY-VPA (Vermont Principals' Association)
Eligibility rules and activities policies apply to all students, both boys and girls,
in grades 7-12. Eligibility rules and activities policies apply to all activities,
both athletic and non-athletic, sanctioned or sponsored by VPA. Waiver requests
regarding undue hardships must be submitted through the Principal. These
waiver requests will not apply in matter of age.

1. In activity season, players who have participated in practice or competition as
a member of a school group shall not practice or compete as members of a non-
school organized group in the same activity. Students may participate in an
event as individuals, but not as members of another team. Violation of this rule
will be handled as follows:
- for the first infraction, a warning to students will be given that the choice of
  participation on one or the other group must be followed.
- for the second infraction, students will be dropped from the school group.

2. A student who competes in any VPA sanctioned activity must be under
nineteen years of age, except that a student whose nineteenth birthday occurs on
or after August 1 is eligible for all activities in the ensuing school year. Students
who have attained the age of nineteen prior to August 1 shall be ineligible for all
VPA sanctioned activities.

3. Students are ineligible if they have attended high school for eight semesters.
Attendance of thirty days of any semester shall be regarded as a semester.

4. Students are ineligible if they have lost their amateur standing, i.e. they have
accepted remuneration, gifts or donations directly or indirectly for participation
in an activity. High school students should be advised to exercise great caution
in participating in any activity where there are cash prizes. Students who lost
amateur status in one activity do not lose it in other activities.
5. Any athlete ejected from a game will not be allowed to compete in the next two contests, as a minimum.

Students who have violated one of the eligibility rules listed above become immediately ineligible.

**Act 77 Early College Athletic Eligibility**
Students who are enrolled in an Act 77 Early College program are eligible to participate in high school athletics provided they:

- Have not participated in athletics at the college level
- Have not received a high school diploma

**NCAA AND COLLEGIATE ELIGIBILITY***
Students may wish to participate in intercollegiate athletic activities upon completion of high school. In order to be academically eligible the NCAA requires certain minimums on high school core courses, grades, and SAT/ACT standardized test scores. It is the responsibility of the student to monitor his/her status with regard to meeting NCAA requirements. Any questions in this area may be directed to the Guidance Department. Students must also be aware that at no time may they accept anything.

**PROFESSIONALISM**
Do not endanger your college eligibility by becoming a professional. You are a "professional" if you:

- Are paid (in any form) or accept the promise of pay for participating in an athletics contest;
- Sign a contract or verbally commit with an agent or a professional sports organization;
- Ask that your name be placed on a draft list;
- Use your athletics skill for pay in any form (for example, TV commercials, demonstrations;
- Play on a professional athletics team, or
- Participate on an amateur sports team and receive, directly or indirectly, any salary, incentive payment, award, gratuity, educational expenses or expense allowances (other than playing apparel, equipment and actual and necessary travel, and room and board expenses for practice and competition).
"TOUGH DECISION" . . . .
From the Minnesota State H.S. League Bulletin
"It was one of the toughest decisions I have ever had to make"
Too often we hear the above comment from a school official following an incident resulting in disciplinary action against a student. This is especially true when it has been necessary to suspend a student from participation in school activities because the student violated one of the rules relating to the use of alcohol, tobacco, and drugs. Now is the time to set the record straight: it is a mistake for a school official to assume that his action to suspend a student for violation of the rules was a tough decision. The student knows the penalty for the violation cannot be waived. Therefore, when a student makes a decision to violate the rules - that student has already agreed to accept the penalty as prescribed. It is at that moment that the tough decision has been made.

MISSION STATEMENT VT PRINCIPALS' ASSOCIATION & NATIONAL FEDERATION OF STATE HIGH SCHOOLS “In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed by the National Federation as a concrete measure of understanding and commitment to fair play, ethical behavior and integrity."

Your rights to inspect and review education records of your child, or your own education records if you are an eligible student, and the school district’s duty to provide you written consent prior to discloser of personally identifiable information, are subject to limitations. The school district’s detailed policy and procedures describing and implementing legal and policy requirements concerning education records is available upon request from the Rutland City Public School District Central Office. II. Respondering to Notice of Possible Policy Violation(s)

A. Upon **notice of information** that hazing, harassment and/or bullying may have occurred the designated employee shall:
   i. Promptly reduce any oral information to writing, including the time, place, and nature of the conduct, and the identity of the participants and complainant.
   ii. Promptly inform the school administrator(s) of the information;
   iii. If in the judgment of the school administrator, the information alleges conduct which may constitute harassment, hazing or bullying, the school administrator shall, as soon as reasonably possible, provide a copy of the policy on hazing, harassment and bullying and these procedures to the complainant and accused individual, or if either is a minor, cause a copy to be provided or delivered to their respective parent or guardian.

B. Upon **initiation of an investigation**, the designated employee shall:
   i. Notify in writing both the complainant and accused individual (or if either is a minor inform their respective parent or guardian) that:
      1. an investigation has been initiated;
      2. retaliation is prohibited;
      3. all parties have certain confidentiality rights;
      4. They will be informed in writing of the outcome of the investigation.

C. All notifications shall be subject to state and/or federal laws protecting the confidentiality of personally identifiable student information. Pursuant to 34 CFR Part 99.30, a school administrator may seek the consent of the parent/guardian of the accused student, or the accused eligible student (if 18 or older, the accused student has the ability to consent), in order to inform the complainant of any disciplinary action taken in cases where the school determined that an act(s) of harassment, hazing, and/or bullying, or other misconduct occurred. The parent/guardian or
eligible student shall provide a signed and dated written consent before an educational agency or institution discloses personally identifiable information from the student's education records.

III. Investigating Hazing, Harassment and/or Bullying Complaints

A. Initiation of Investigation - Timing. Unless special circumstances are present and documented, such as reports to the Department for Children and Families (“DCF”) or the police, the school administrator shall, no later than one school day after Notice to a designated employee, initiate or cause to be initiated, an investigation of the allegations, which the school administrator reasonably believes may constitute harassment, hazing or bullying.

B. Investigator Assignment. The school administrator shall assign a person to conduct the investigation; nothing herein shall be construed to preclude the school administrator from assigning him/herself or a designated employee as the investigator. No person who is the subject of a complaint shall conduct such an investigation.

C. Interim Measures. It may be appropriate for the school to take interim measures during the investigation of a complaint. For instance, if a student alleges that he or she has been sexually assaulted by another student, the school may decide to place the students immediately in separate classes and/or transportation pending the results of the school’s investigation. Similarly, if the alleged harasser is a teacher, allowing the student to transfer to a different class may be appropriate.

In all cases, the school will make every effort to prevent disclosure of the names of all parties involved – the complainant, the witnesses, and the accused -- except to the extent necessary to carry out the investigation. In all cases where physical harm has resulted and/or where the targeted student is known to be expressing suicidal ideation, or experiencing serious emotional harm, a safety plan will be put in place. Safety plans must also be considered in cases where the targeted student is known to have difficulty accessing the educational programs at the school as a result of the inappropriate behavior. No contact orders, or their enforcement, may also be appropriate interim measures.
D. Due Process. The United States Constitution guarantees due process to students and District employees who are accused of certain types of infractions, including but not limited to sexual harassment under Title IX. The rights established under Title IX must be interpreted consistent with any federally guaranteed due process rights involved in a complaint proceeding, including but not limited to the ability of the complainant and the accused to present witnesses and other evidence during an investigation. The District will ensure that steps to accord due process rights do not restrict or unnecessarily delay the protections provided by Title IX to the complainant.

E. Standard Used to Assess Conduct. In determining whether the conduct constitutes a violation of this policy, the investigator shall consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. The complainant and accused will be provided the opportunity to present witnesses and other evidence during an investigation. The school will also consider the impact of relevant off-campus conduct on the school environment where direct harm to the welfare of the school can be demonstrated or the conduct can be shown to pose a clear and substantial interference with another student’s equal access to educational programs. Whether a particular action constitutes a violation of this policy requires determination based on all the facts and surrounding circumstances.

F. Completion of Investigation – Timing. No later than five school days from the filing of the complaint with the designated employee, unless special circumstances are present and documented, the investigator shall submit a written initial determination to the school administrator.

G. Investigation Report. The investigator shall prepare a written report to include a statement of the findings of the investigator as to whether the allegations have been substantiated, and as to whether the alleged conduct constitutes hazing, harassment and/or bullying. The report, when referencing student conduct, is a student record and therefore confidential. It will be made available to investigators in the context of a review conducted by either Vermont AOE, or investigations of harassment conducted by the Vermont Human Rights Commission or U.S. Department of Education Office of Civil Rights.
H. Notice to Students/Parents/Guardians. Within five school days of the conclusion of the investigation, the designated employee shall:

   i. Notify in writing both the complainant and accused individual (or if either is a minor inform their respective parent or guardian) that:
      1. the investigation has been completed;
      2. whether or not the investigation concluded that a policy violation occurred (and which policy term was violated, i.e. harassment, hazing and/or bullying);
      3. that federal privacy law prevents disclosure of any discipline imposed as a result of the investigation unless the parent/guardian of the accused student and/or the accused eligible student consents to such disclosure, pursuant to 34 CFR Part 99.30, as set forth in Section II, Part C, above.

   ii. Notify the Complainant Student - or if a minor, their parent(s) or guardian - in writing of their rights to:
      1. an internal review by the school of its initial determination as a result of its investigation as to whether harassment occurred;
      2. request an Independent Review of the school’s “final” determination as to whether harassment occurred within thirty (30) days of the final determination or although a “final” determination was made that harassment indeed occurred the school’s response to that harassment was inadequate to correct the problem; and that the review will be conducted by an investigator to be selected by the superintendent from a list developed by the Agency of Education;
      3. file complaints of harassment with either the Vermont Human Rights Commission and/or
the federal Department of Education’s Office of Civil Rights.

iii. Notify the Accused Student – or if a minor, their parent(s) or guardian - in writing of their right to appeal as set forth in Section V of these procedures.

I. Violations of Other Policies. In cases where the investigation has identified other conduct that may constitute a violation of other school disciplinary policies or codes of conduct, the designated employee shall report such conduct to the school administrator for action in accordance with relevant school policies or codes of conduct.

IV. Responding to Substantiated Claims

A. Scope of Response. After a final determination that an act(s) of hazing, harassment and/or bullying has been committed, the school shall take prompt and appropriate disciplinary and/or remedial action reasonably calculated to stop the hazing, harassment and/or bullying and prevent any recurrence of harassment, hazing and/or bullying, and remedy its effects on the victim(s). In so doing, the following should be considered:

(i) Potential Remedial Actions. Remedial action may include but not be limited to an age appropriate warning, reprimand, education, training and counseling, transfer, suspension, and/or expulsion of a student, and warning, reprimand, education, training and counseling, transfer, suspension and/or termination of an employee. A series of escalating consequences may be necessary if the initial steps are ineffective in stopping the hazing, harassment and/or bullying. To prevent recurrences counseling for the offender may be appropriate to ensure that he or she understands what constitutes hazing/harassment and/or bullying and the effects it can have. Depending on how widespread the hazing/harassment/bullying was and whether there have been any prior incidents, the school may need to provide training for the larger school community to ensure that students, parents and teachers can recognize hazing/harassment/bullying if it recurs and know how to respond.
(ii) School Access/Environment Considerations. The District will also take efforts to support victims’ access to the District’s programs, services and activities and consider and implement school-wide remedies, where appropriate. Accordingly, steps will be taken to eliminate any hostile and/or threatening environment that has been created. For example, if a female student has been subjected to harassment/bullying by a group of other students in a class, the school may need to deliver special training or other interventions for that class to repair the educational environment. If the school offers the student the option of withdrawing from a class in which a hostile environment/bullying occurred, the District will assist the student in making program or schedule changes and ensure that none of the changes adversely affect the student’s academic record. Other measures may include, if appropriate, directing a bully/harasser to apologize to the affected student. If a hostile environment has affected the entire school or campus, an effective response may need to include dissemination of information, the issuance of new policy statements or other steps that are designed to clearly communicate the message that the school does not tolerate harassment and/or bullying and will be responsive to any student who reports that conduct.

(iii) Hazing Case Considerations. Appropriate penalties or sanctions or both for organizations that or individuals who engage in hazing and revocation or suspension of an organization’s permission to operate or exist within the institution’s purview if that organization knowingly permits, authorizes, or condones hazing.

(iv) Other Remedies: Other remedies may include providing counseling to the victim(s) and/or the perpetrator(s), and additional safety planning measures for the victim(s).

B. Retaliation Prevention. It is unlawful for any person to retaliate against a person who has filed a complaint of harassment or against a person who assists or participates in an investigation, proceeding or hearing related to the harassment complaint. A person may violate this anti-retaliation provision regardless of whether the underlying complaint of harassment is substantiated.
The District will take reasonable steps to prevent any retaliation against the student who made the complaint (or was the subject of the harassment), against the person who filed a complaint on behalf of a student, or against those who provided information as witnesses. At a minimum, this includes making sure that the students and their parents, and those witnesses involved in the school’s investigation, know how to report any subsequent problems and making follow-up inquiries to see if there are have been any new incidents or any retaliation.

C. Alternative Dispute Resolution. At all stages of the investigation and determination process, school officials are encouraged to make available to complainants alternative dispute resolution methods, such as mediation, for resolving complaints. Certain considerations should be made before pursuing alternative dispute resolution methods, including, but not limited to:
(1) the nature of the accusations (for example, face-to-face mediation is not appropriate for sexual violence cases), (2) the age of the complainant and the accused individual, (3) the agreement of the complainant, and (4) other relevant factors such as any disability of the target or accused individual, safety issues, the relationship and relative power differential between the target and accused individual, or any history of repeated misconduct/harassment by the accused individual.

V. Post Investigative Reviews

Rights of Complainants

A. Internal Review of Initial Harassment Determinations By Complainant.
A complainant or parent of a complainant may request internal review by the District of a designee’s initial determination (following investigation) that harassment has not occurred via written request submitted to the District superintendent. All levels of internal review of the investigator’s initial determination, and the issuance of a final decision, shall, unless special circumstances are present and documented by the District, be completed within 30 calendar days after review is requested.

B. Independent Reviews of Final Harassment Determinations By Complainant.
A complainant may request an independent review within thirty (30) days of a
final determination if s/he: (1) is dissatisfied with the final determination as to whether harassment occurred, or (2) believes that although a final determination was made that harassment occurred, the school’s response was inadequate to correct the problem.

The complainant shall make such a request in writing to the superintendent of schools within thirty (30) days of a final determination. Upon such request, the superintendent shall promptly initiate an independent review by a neutral person as described under 16 V.S.A. § 570a.(b)(1) and shall cooperate with the independent reviewer so that s/he may proceed expeditiously. The review shall consist of an interview of the complainant and relevant school officials and a review of the written materials from the school’s investigation.

Upon completion of the independent review, the reviewer shall advise the complainant and school officials in writing: (1) as to the sufficiency of the school’s investigation, its determination, and/or the steps taken by the school to correct any harassment found to have occurred, and (2) of recommendations of any steps the school might take to prevent further harassment from occurring. A copy of the independent review report shall be sent to the Secretary of Education.

The reviewer shall advise the student of other remedies that may be available if the student remains dissatisfied and, if appropriate, may recommend mediation or other alternative dispute resolution. The independent reviewer shall be considered an agent of the school for the purpose of being able to review confidential student records. The costs of the independent review shall be borne by the District. The District may request an independent review at any stage of the process.
C. Rights to Alternative Harassment Complaint Process. In addition to, or as an alternative to filing a harassment complaint pursuant to this policy, a person may file a harassment complaint with the Vermont Human Rights Commission or the Office for Civil Rights of the U.S. Department of Education at the addresses noted below:

Rights of Accused Students

A. Appeal. Any person determined to have engaged in an act(s) of hazing, harassment and/or bullying may appeal the determination and/or any related disciplinary action(s) taken, directly to the school board of the school district. The school board shall conduct a review on the record. The standard of review by the school board shall be whether the finding that an act(s) of hazing, harassment, and/or bullying has been committed constitutes an abuse of discretion by the school level fact finder. Appeals should be made to the school board within ten (10) calendar days of receiving the determination that an act(s) of hazing, harassment and/or bullying has occurred and/or any announced discipline. The school board shall set the matter for a review hearing at the next scheduled school board meeting to the extent practicable, but not later than 30 days from receipt of the appeal filing.
B. Accused Student/Appellant Access to Investigative Reports/Findings. The school district shall make available upon request of the Accused Student/Appellant, any relevant information, documents, materials, etc. related to the investigation and related finding on appeal that can be redacted and de-identified in compliance with the requirements set forth at 34 CFR Part 99. For those documents that cannot be provided due to the requirements set forth at 34 CFR Part 99, when an Accused Student/Appellant seeks a review on the record before the school board of the school district, a school administrator may seek the consent of the parent/guardian of the targeted student, or the accused eligible targeted student (if 18 or older, the targeted student has the ability to consent), in order to inform the accused student of the findings which gave rise to the school’s determination that an act(s) of harassment, hazing, and/or bullying occurred. The parent/guardian or eligible student shall provide a signed and dated written consent before an educational agency or institution discloses personally identifiable information from the student's education records.

VI. Confidentiality and Record Keeping

A. Privacy Concerns. The privacy of the complainant, the accused individual, and the witnesses shall be maintained consistent with the District’s obligations to investigate, to take appropriate action, and to comply with laws governing the disclosure of student records or other applicable discovery or disclosure obligations.

i. Concerns Related to Harassment Complaints. The scope of appropriate response to a harassment complaint may depend upon whether a student or parent of a minor student reporting the harassment asks that the student’s name not be disclosed to the harasser or that nothing be done about the alleged harassment. In all cases, school officials will discuss confidentiality standards and concerns with the complainant initially. The school will inform the student that a confidentiality request may limit the school’s ability to respond. The school will remind the student that both federal Title IX and Vermont Title 9 prevent retaliation and that if he or she is afraid of reprisals from the alleged harasser, the school will take steps to prevent retaliation and will take strong action if retaliation occurs. If the student continues to ask that his or her name not be revealed, the school should take all reasonable steps to investigate and
respond to the complaint consistent with the student’s request as long as doing so does not prevent the school from responding effectively to the harassment and preventing harassment of other students. The school will evaluate the confidentiality request in the context of its responsibility to provide a safe and nondiscriminatory environment for all students. The factors the school might consider in this regard include the seriousness of the alleged harassment, the age of the student harassed, whether there have been other complaints or reports of harassment against the alleged harasser, and the rights of the accused individual to receive information about the accuser and the allegations if a formal proceeding with sanctions may result. If information about the incident is contained in an “education record” of the student alleging the harassment, as defined by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, the school will consider whether FERPA prohibits it from disclosing information without the student’s consent.

B. Document Maintenance. The Superintendent or school administrator shall assure that a record of any complaint, its investigation and disposition, as well as any disciplinary or remedial action taken following the completion of the investigation, is maintained by the District in a confidential file accessible only to authorized persons. All investigation records created in conformance with this model policy and model procedures, including but not limited to, the complaint form, interview notes, additional evidence, and the investigative report, shall be kept by the Equity Coordinator, Designated Employees and District/Supervisory Union Central Office for at least six years after the investigation is completed.

VII. Reporting to Other Agencies

A. Reports to Department of Children and Families. When a complaint made pursuant to this policy includes allegations of child abuse, any person responsible for reporting suspected child abuse under 33 V.S.A. § 4911, et seq. must report the allegation to the Commissioner of DCF. If the victim is over the age of 18 and a report of abuse is warranted, the report shall be made to Adult Protective Services in accordance with 33 V.S.A. § 6901 et seq.
B. **Reports to Vermont Agency of Education.** If a harassment complaint is made in a public school about conduct by a licensed educator that might be grounds under Vermont law for licensing action, the principal shall report the alleged conduct to the Superintendent and the Superintendent shall report the alleged conduct to the Commissioner. If a harassment complaint is made in an independent school about conduct by a licensed educator that might be grounds under Vermont law for licensing action, the head of school is encouraged to report the alleged conduct to the Secretary of Education.

C. **Reporting Incidents to Police**

   a. **FERPA Rights.** Information obtained and documented by school administration regarding the school’s response to notice of student conduct that may constitute hazing, harassment and/or bullying may constitute an “educational record” regarding the student or student(s) involved as defined by the Family Education Rights and Privacy Act. Accordingly, such information may not be disclosed without prior parent approval to local law enforcement except in response to a lawfully issued subpoena, or in connection with an emergency if disclosure is necessary to protect the health or safety of the student or other individuals.

   b. **First Hand Reports.** Nothing in this policy shall preclude persons from reporting incidents and/or conduct witnessed first-hand that may be considered to be a criminal act to law enforcement officials.

   c. **Hazing Incidents.** It is unlawful to (1) engage in hazing; (2) solicit direct, aid, or attempt to aid, or abet another person engaged in hazing; or (3) knowingly fail to take reasonable measures within the scope of the person’s authority to prevent hazing. It is not a defense in an action under this section that the person against whom the hazing was directed consented to or acquiesced in the hazing activity. Hazing incidents will be reported to the police in a manner consistent with the confidentiality rights set forth above in this section.

D. **Continuing Obligation to Investigate.** Reports made to either DCF or law enforcement shall not be considered to absolve the school administrators of their obligations under this policy to pursue and complete an investigation upon receipt of notice of conduct which may constitute hazing, harassment and/or bullying.
VIII. Disseminating Information, Training, and Data Reporting

A. Disseminating Information. Annually, prior to the commencement of curricular and co-curricular activities, the District shall provide notice of this policy and procedures to students, custodial parents or guardians of students, and staff members, including references to the consequences of misbehavior contained in the plan required by 16 V.S.A. 1161a. Notice to students shall be in age-appropriate language and include examples of hazing, harassment and bullying. At a minimum, this notice shall appear in any publication of the District that sets forth the comprehensive rules, procedures and standards of conduct for the District.

B. Student Training. The school administrator shall use his/her discretion in developing age-appropriate methods of discussing the meaning and substance of this policy with students to help prevent hazing, harassment and bullying.

C. Staff Training. The board or its designee shall ensure that teachers and other staff receive training in preventing, recognizing and responding to hazing, harassment and bullying.

D. Data Gathering. Public school districts shall provide the Vermont Agency of Education with data requested by the Secretary of Education.

SEARCH AND SEIZURE
1. Desks, lockers, textbooks and other materials loaned by the school to students remain the property of the school, and may be opened by school employees for cleaning, maintenance or emergencies. When prohibited items are found in the course of routine cleaning or maintenance, or in the case of emergency, they will be confiscated and a report will be made to the Principal who will determine whether further investigation is warranted.

2. School property may also be searched by school employees upon reasonable suspicion on the part of the Principal, or Superintendent that a law or school policy is being violated. Searches of school property in the possession of students will not extend to areas or items not reasonably calculated to aid in the enforcement of specific policies or laws.

3. Searches of students’ person or vehicles will be conducted if there is reasonable cause to believe that a breach of school policy or law is being committed. Search of a student’s person will be conducted by a school employee of the same sex and, whenever possible, in the presence of another school employee.

4. A copy of the Search and Seizure Policy [7450] can be found in its entirety in the Principal’s Office.

City of Rutland – Safe Schools Ordinance

On February 28, 1995, the City of Rutland Board of Aldermen passed Ordinance Number 187. Following is a condensed version of the ordinance and its purpose. A complete copy may be obtained at City Hall or from our Main Office.

The people of the City of Rutland find it necessary to prevent disruption of the educational process by prohibiting individuals who have no educational purpose, who disrupt, or may disrupt the educational process from entering or remaining upon school premises during school hours. Further the safety and welfare of the public within school premises must be protected. To this end, every school in the City of Rutland will be free of drugs, violence, the unauthorized use of firearms and alcohol and will offer a disciplined environment conducive to learning.
It is important to point out that "school premises" means any building, public or private which is used primarily for educational purposes, the land upon which it is situated, and any (public) property within five hundred (500) feet of the land upon which the building is situated.

As part of the ordinance, a schedule of fines and waiver fees has been established as listed below:

Vermont State Law currently establishes that parents are, or can be, responsible for up to $1,000.00 in fines or fees incurred by their children. It is, therefore, extremely important that everyone become familiar with the particulars of this ordinance.
